(8:47:29) – Mayor Bagwell introduced the item. Supervisor White expressed concern that the Staff Summary section of the agenda indicated *“The contract between Tucson and Thatcher will expire on September 30, 2021, but Tucson has the unilateral right to renew for four, one-year terms, subject to price renegotiation at renewal.”* However, he referenced that an email from the Senior Contracts Officer of the City of Tucson, incorporated into the record, stating that Thatcher *“will need to determine pricing”* in early August [2021]. Supervisor White wished to be assured that the contract will not “get north of \$320,000.” Public Works Director Darren Schulz explained that the contract was based on a calendar year even though the City’s fiscal year began on July 1, 2021. He also explained that the City based its joinder contracts on the “cheapest price” and in this case, the original contract holder would renegotiate the price and those following the joinder would either continue with the vendor, or find another, elsewhere. Mr. Schulz indicated that should the price be much higher, the City would “shop around” for other opportunities and stated that since the product was not volatile, contingencies were not needed. There were no additional questions or comments; therefore, Mayor Bagwell entertained a motion.

(8:50:42) – Supervisor White moved to approve the purchase authority as requested and authorize the City’s Purchasing and Contracts Administrator to extend the joinder contract, not to exceed \$320,000, once renewed by the City of Tucson. Supervisor Jones seconded the motion.
